

Dynamic fleet management

Offering flexibility, freedom and control.

The BP Business Solutions Universal Fuel MasterCard® is unlike any other single fleet card program of its kind. It offers unmatched spending flexibility, the freedom to use the cards where you need, detailed cost analysis, individual card control and rebates that deliver even more benefits for managers, drivers and your bottom line.

Flexible Card Management

- Set spending and usage limits for each card, by day, week or cycle
- Purchases may be restricted during off hours
- Prevent convenience store purchases by limiting cards to fuel purchases only or purchase at the pump only

Attractive Rebates

- Earn rebates on fuel purchases at BP branded locations (see chart below)
- Monthly gallons for gasoline and diesel are totaled separately and rebate is based on the chart shown
- Diesel rebates reach a maximum of 2.5 cents per gallon

More Charge Freedom

- Accepted at more than 11,400 BP and ARCO* locations nationwide
- Use the card for your fleet’s fuel and maintenance needs anywhere MasterCard cards are accepted

Complete Online Control

- Enhanced security and fraud protection controlled online by fleet manager
- Control purchasing ability for each card including the ability to shut off cards or request new cards
- Real-time account data information available 24/7
- Variety of comprehensive reports available sorted by exception, driver, vehicle, MPG readings or any of several other options

onlinecontrol

Security and Reporting

- Set prompts to ask for vehicle or driver number and the transaction will not be completed unless the correct number is entered
- Set prompts to ask for odometer reading to keep track of mileage for the MPG report

Membership Fee and Billing

- Receive invoices online free of charge (Paper statements available for a fee)
- \$10 monthly fee for accounts purchasing less than 5,000 gallons per month (fee waived if purchases exceed 5,000 gallons)

Monthly rebates are on cents per gallon of fuel as follows:

gallons	cents
500 – 1,999	1.5
2,000 – 3,999	2.0
4,000 – 4,999	2.5*
5,000 – 5,999	3.0
6,000 – 7,999	3.5
8,000 – 9,999	4.0
10,000 +	4.5

Example:

Total of 6,000 gallons of fuel (gasoline and diesel) purchased for the month.

4,000 gasoline =
2.5 cpg rebate (\$100)

2,000 diesel =
2.0 cpg rebate (\$40)

\$140 rebate earned

Rebates are subject to change at any time without notice. Rebates may not be allowed where prohibited by law and apply only to fuel purchases made at participating BP branded locations in the U.S. Rebates are not offered on purchases at ARCO locations.

*Maximum rebate for diesel.

Universal fleet card management.
 Customized benefits. Customized controls.
